

Deanna Trust's Feng Shui for Interior Designers for ASID Members & Their Guests Only...

*With Gourmet Lunch prepared by Deanna Trust
Vocal Entertainment by Crista Orefice*

September 11, 2016 • 10 AM - 3 PM

Relax, Enjoy, and Educate Yourself!

All in Deanna's Interior Design Award Winning Home, the Casterline Inn

Be a guest in Deanna's home and enhance your Interior Design Skills with Feng Shui and The Laws of Nature. Learn Nature's way of harmonizing, beautifying and balancing for ALL environments. The invaluable timeless Creative Cycle of Change Theory and the 5 Element Application Technique will be elucidated, thus empowering designers to bring all environments into their highest vibrational potential. **Each designer is asked to bring a rough draft of the first floor where he or she lives. Deanna will mark the ancient Chinese bagua on each floor plan to expedite using one's personal plan for program reference.**

Following our morning group study, lunch will be presented in Deanna's bistro-styled Copper Grotto Dining Room. Relax, socialize, and be served. The menu includes: *Beet and Endive Salad with Vinaigrette; 40 Carrots Soup; Elegant Garlic Potato Cake with Parsley; Cezanne's Ratatouille; A Delectable Assortment of Artisan Cupcakes with Mint Frozen Yogurt.* (Dietary substitutions will be honored if given a 2 week advance notice.) All selections are served on Deanna's collection of vintage European and Eastern Asian china. Fine teas will be offered throughout the lunch.

After lunch, anticipate a walk down the Nature Path at the Casterline Inn, past the magical tree and the fairy ring, to the yin-yang altar. Deanna will dowse each guest's *chi* for advice on colors to wear and for one's bedroom to best balance personal *chi*.

For our program finale, guests will create a red envelope wish to place in the intertwining roots of the yin-yang altar. There will be a brief Q&A followed by a closing vocal selection performed by Crista Orefice.

Suggested attire: Daytime elegant with walking shoes for the final portion of the program.

Note: This Salon may be prerequisite to a more advanced Feng Shui for Interior Design Salon scheduled at the participant's request.
