

# Deanna Trust's Feng Shui & The Elements Salon for Anthroposophists & Their Guests Only...

*With Gourmet French Impressionist Lunch  
and Vocal Entertainment by Crista Orefice*

**October 9, 2016 • 10 AM - 3 PM**

***Relax, Enjoy, and Learn! Nurture Yourself!***

Be a guest in Deanna's Sacred Space and learn the principals of Feng Shui *specific to your personal home*. Bring a floor plan — a rough draft will do — and Deanna will mark the timeless energy map called *the Bagua* onto your plan. Following, Deanna will teach you which colors, shapes, essences, and symbols best enhance each area of your home to bring it into its *highest vibrational harmony*.

After our morning group study, a French Impressionist style lunch *will be served* — with *musical entertainment*. The menu includes *Monet's 17 Herb Soup*, *Cezanne's Jas du Bouffan* (Cezanne's home) *Potato Salad*, *Leek and French Cheese Tarts* (popular at the artist's *plein air picnics*) and a favorite for dessert, *the Potted Apple*. *Fine teas will be served throughout*. (Dietary substitutions will be honored if given a 3-week advance notice.)

Following lunch, anticipate a walk down the Nature Path *at the Casterline Inn, past the magical tree and the fairy ring, to the Yin Yang Altar*. Deanna will dowse each guest's *chi* for advice on colors to wear to balance *internal chi*. There will be a time for private writing of *intentions for well-being in your life* with a *red envelope cure* placed into the roots at the Yin Yang Altar — to enhance grace and well-being from nature and spiritual resources. A closing vocal selection will be performed by Crista Orefice.

Suggested attire: daytime elegant with walking shoes to change into for the Nature Path.
